F : CONVENTION SETS / 3 TABLE BOOKINGS

If you are booking 3 tables or more & wish to reserve a 2012 Convention set, there are a few simple guidelines to keep in mind.

- a) Convention sets are limited to **125** sets in total. A small percentage (**8 sets**) will be put aside for any dealers wishing to secure 3 or more tables at the 2012 Canadian G.I. Joe Convention. You **MUST** have the checkbox in section "**H**" marked with a **YES** or an **X** to guarantee your set will be held. **No exceptions**. If your contract does not have this box checked at the time of booking your tables, you will not have a set held as they will sell out shortly after the convention begins.
- b) Sets will be allocated to dealers booking 3 or more tables on a **FIRST BOOKING** basis. If you increase your tables at a later date, you may not be eligible for a convention set due to the limited supply.
- c) You are required to pay full price for the convention set, (Price to be finalized – between \$140 - \$160). The convention set price is **NOT** included in your 3 or more table-booking fee.
- d) CanJoeCon staff will bring your convention set to your tables around 2pm-3pm.
- e) **We will be enforcing a "one per household" rule again this year with ID. – DEALERS INCLUDED, NO EXCEPTIONS.**
- f) You must have product for sale at your tables. Anyone found booking tables simply to secure a convention set, thus leaving the Canadian G.I. Joe Convention with empty dealer spots throughout the day will **NOT** receive a convention set & will lose the payment on their tables.
- g) Any questions about this should be addressed prior to booking tables. Not after.
- h) **YES, I WANT A CONVENTION SET AND I AM BOOKING THREE OR MORE TABLES FOR THE 2012 G.I. JOE CONVENTION. (Early Bird options only)**

SET-UP TIMES

A **FRIDAY NIGHT** set-up option is available to those booking tables. You **MUST** be vacated by 9pm. If you can't set up the night before, the traditional AM set-up option is also available:

You can pull over, or use a hands-free headset, but you can not have any of these items in your hand while you are driving.
